Teen Take and Make Kits: Decorated Cork Board Tile

Supplies Provided:

- Acrylic Paint
- Paintbrush
- Cork Board Tile

Supplies Needed From Home:

- Masking or Painter's Tape

Directions:

1. Tape over the spots you don't want to be painted. Get creative and make different designs with the tape.
2. Paint the exposed portions of the cork board. It might take 2 or more coats to get the desired effect.
3. Let the paint dry 24 hours before you add tacks or embellishments and hang it!
